ABOUT US

Thank you for playing golf and giving today for Caring Solutions children and adults!

Since its founding in 2001, Caring Solutions has been serving children and adults with developmental disabilities in neighborhood-settings throughout the Greater St. Louis Area and outlying counties.

Caring Solutions has been recognized for its focus on designing services around each person's unique needs. Developmental disabilities includes autism, Down syndrome, cerebral palsy and/or many more conditions that were present under the age of 21. Additional mental, physical, medical and/or behavioral challenges may also be involved with those Caring Solutions assists 24-hours-a-day. On-site staff teach basic living skills and provide care and oversight. The goal is for each person to reach his or her individual potential—developing and using their abilities.

Licensing and primary funding is provided by the Missouri Department of Mental Health for children and adults referred to Caring Solutions. However, charitable gifts—both financial and in-kind—are essential in order to provide quality services and other unfunded needs such as but not limited to start-up expenses for new individuals, home furnishings and upkeep, emergency shelter needs, as well as new programs and services.

Caring Solutions recently started respite services for individuals who have developmental disabilities plus significant behavioral challenges—providing therapeutic assistance and giving their families a much-needed break. The first of its kind in Missouri, Caring Solutions opened "Valentine Place" respite home in Ferguson, MO in 2017.

Caring Solutions has a volunteer Board of Directors and Advisory Council. Your involvement and support is appreciated! Visit our website at <http://www.caringsolutions.org/> or contact us at info@caringsolutions.org. Phone (314) 942-7350.

Your gifts to Caring Solutions are tax-deductible to the extent possible under current tax laws. Services by Design, Inc. does business as Caring Solutions and is a 501(c)(3) nonprofit organization. EIN 03-0374478
