Caring Solutions designs and provides services to meet the unique needs of children and adults with intellectual and physical developmental disabilities and their families, giving them the opportunity to lead fulfilling lives.

Winter 2023

LIVING HER BEST LIFE

Becky has limited speech and physical abilities. Still, she is able to show her interests and express joy at what she can do!

Becky was recently featured as the “Individual of the Month” at Caring Solutions. Every individual receiving services from Caring Solutions is respected for being the unique human beings they are and assisted so they can grow and accomplish their goals.

As with many other individuals served by Caring Solutions, Becky requires 24-hour staff assistance in all aspects of her daily living. Becky’s staff surround her with a loving, caring presence. Each staff member is trained and certified to follow her individualized plan and to help her develop skills to her best ability and for her best life.

“Becky’s staff are dedicated to creating a loving home environment,” Executive Director Shannan French said. They make sure that Becky also gets to celebrate all holidays where she enjoys the activities with staff’s families and friends. “The love and dedication from these ladies go beyond words.”
